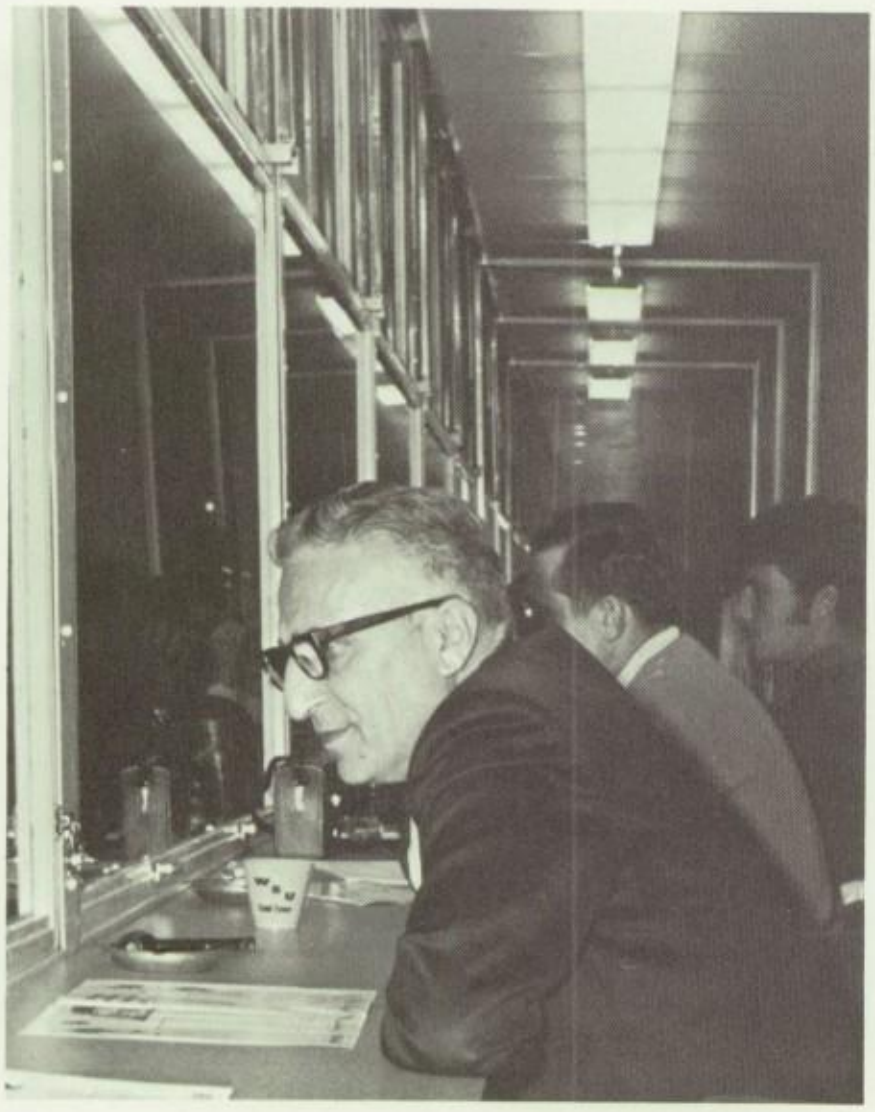
Dr. Addis's day at Southeast begins at 7:00 along with the administrative duties of keeping up with correspondence and telephone calls.



Concern is reflected on Dr. Addis's face as he watches the Southeast — Carroll football game from the press box.

Student Body Welfare Is Dr. Addis' Main Concern

Serving his fourteenth year as principal, Dr. Addis continues to place the welfare of each individual student at the top of his many supervisory and administrative concerns. "Now that integration is physically completed at the secondary level, we must find ways to assimilate the student body so that no student of a minority group feels that he is only a "guest", he remarked. He believes that this goal can and must be accomplished through the cooperation of the entire student body, the faculty, and the administration. "In some areas," he said, "we will need the cooperation of other agencies who share in these concerns."

Along with his interest in the students of Southeast he takes great pride in the fact that his two children are both Southeast graduates. David is in his third year of teaching, and his daughter, Jodi, is a registered X-ray technician at Wesley Medical Center.

He recently moved to a suburban area where he and his wife share the hobby of raising quality show dogs.

Southeast Is Controlled By Three Vice-Principals

Dr. Martin Smith and Mr. Eugene Franklin joined Mr. Keith Graham as assistant principals this year.

Dr. Smith, assistant principal at Heights last year, received his B.A. from Westmar College in Mars, Iowa in 1953 and his M.A. in Education from Wichita State University. He earned his Doctor's Degree in Education from Wyoming University in May of 1970. His duties included curriculum and office management. He was also chairman of the assembly committee.

Mr. Franklin, a former IBM salesman, earned his B.A. in English in 1956 and his M.A. at WSU in 1966. He handled student discipline, lockers, and attendance.

Mr. Graham, assistant principal for four years, was in charge of the transportation of students, student discipline and the reading of the morning bulletin. He received his B.S. degree from Kansas State College at Pittsburgh and his M.A. from Colorado State University.

Office Staff, Proctors Perform School Tasks

Eight office staff members and students proctors helped to perform the various tasks a large high school demands.

Mrs. Herd was in charge of pupil accounting this year while attendance was handled by Mrs. Patton. Mrs. Ridgeway kept the academic records of all students. Handling Dr. Addis' business was Mrs. Rogers. Mrs. Shreffler handled the switchboard and school correspondence. In charge of the financial books was the school treasurer, Miss Wilke, and Mr. Simon was a social worker and attendance aid.

Students utilize the many facilities of the Southeast Media Center.

Media Center Is Awarded Grant for New Equipment

Because of its educational programs, and excellent facilities, Southeast's two-year-old Media Center was selected to be a "Demonstration Library" by the American Library Association, according to Mrs. Virginia Fields, head librarian.

The library received a $14,500 grant from the federal government to purchase books and audio-visual equipment to reach the American Library Association's standards for a Demonstration Library.

The large number of students who utilized the library's fine facilities were assisted by 50 proctors and four librarians. Mrs. Virginia Fields was the head librarian with Mrs. Ruth Pearcy and Miss Vera Berry as her assistants. Mrs. Helen Jewett was the library clerk.

Counselors Aid Students With School Problems

Guiding students in their high school and college planning, helping students cope with personal problems and directing developmental and college tests are the duties of the guidance counselors, according to Mr. Clark Beck, head of the guidance center.

The sophomore class was helped by Mr. Kenneth Clark and Mrs. June Turner. Mr. Richard Elving and Mr. Clark shared the responsibility of the junior class.

The senior class was guided by Miss Fanny Thompson while Mr. Beck, college counselor, helped students make decisions concerning college. Mr. Beck arranged for college representatives to come to Southeast to talk to seniors about their colleges.

Mr. Donald Nichols tutored the hard-of-hearing from surrounding Wichita schools.

'Stampede' and 'Hoofbeats' Produced by Students

Organization, planning and hard work went into both the Southeast Stampede and Hoofbeats, sponsored by Mr. Dean Campbell.

Kelsey Menehan and Jan Seymour were the semester Stampede editors this year. They checked copy, re-wrote stories, and laid out the paper, and wrote headlines. Each day was occupied with either getting out that weeks paper or preparing for the next week's.

RoxAnn Banks and her yearbook staff spent many Saturdays and school evenings working on the four deadlines for the 1971 Hoofbeats. They were busy photographing activities at Southeast, composing copy, planning layouts, and organizing new ideas. They attended several seminars during the summer and school year to help them gather their ideas.

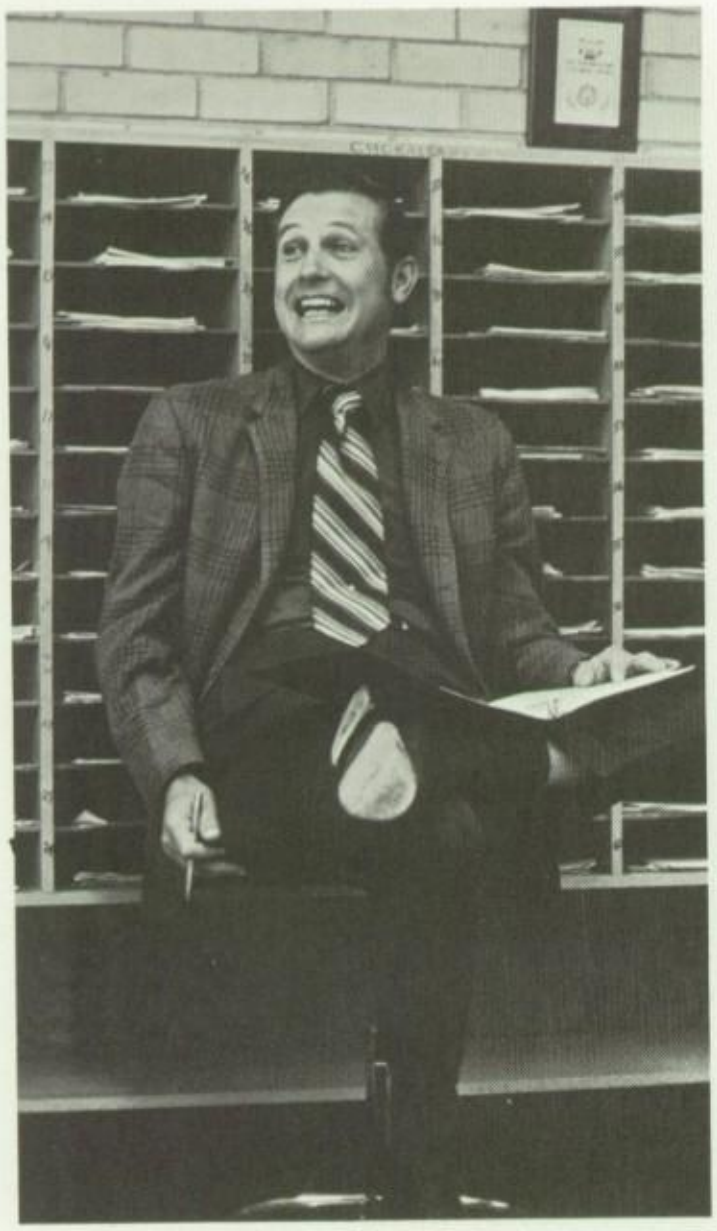
SE Debators Determine Ways of Pollution Control

Rejecting and supporting the idea that the Federal government should establish, finance and administer programs to control air and water pollution in the United States was the assignment of Mr. Richard Barnes varsity and novice debate squads this year.

The 42 novice debators gained experience in critical listening, mastering their speaking skills, and developing originality in debating.

The varsity debators were able to hold more extensive debates this year by broadening their knowledge of the art of debating. They were busy preparing for both an affirmative and negative stand on air and water pollution. On Saturdays the debators attended or sponsored tournaments with other schools.



Mr. Nicholson shows his pleasure while watching Choraleer students during the talent show.

Choraleers Present Concerts, Musical

Mr. Vernon Nicholson directed the Choraleers which is made up of one hundred and twenty juniors and seniors. These Southeast students were chosen for their ability to sightread, knowledge of music skills, and the quality of their voice. During the year they performed for assemblies, junior high schools, "Fiddler on the Roof", and many concerts where they have always received high ratings. Along with presenting Choralesque they sang for students in Pittsburgh, Kansas at Pittsburgh State College.

Madrigals which is a specially selected group of musical students was also directed by Mr. Nicholson. This musical group was composed of twenty-three boys and girls including the accompanist. The Madrigals, all of who are juniors and seniors, were kept busy throughout the year displaying their fine voices by performing for different church groups, city schools, musical concerts, and social clubs.

Select Ensembles Perform For Clubs, Organizations

Twenty-six female vocalists offered their voices for many school concerts, civic organizations, and productions for junior high schools. These girls made up Junior Misses which was a select group under the guidance of Mr. Vernon Nicholson. They were chosen under the basis of their interest in music, quality of voice, and ability to read music. They also performed for Music Festivals and Choralesque.

Boys Ensemble, a select group of fourteen junior and senior boys was led under the effort of Mr. Nicholson. During the year the boys participated in concerts, Music Festivals, Choralesque, and various social functions. Boys that are interested in singing with the ensemble must audition at the end of the school year.

Three years ago Mrs. Trudy Burkholder organized The Backstage Minority when a lack of space forced them to use the back of the auditorium stage during class. These twenty-six junior and senior girls performed for various concerts, clubs, and Music Festivals.

Music Groups Receive Knowledge, Experience

Sophomore Choir was composed of eighty-five sophomore students who wished to receive education for further work in music. Under the direction of Mr. Vernon Nicholson these students were selected by their junior high music teacher. During the year they condition themselves for programs, assemblies, and concerts.

Under the guidance of Mrs. Trudy Burkholder eighty-six music students made up Modernaires, a junior-senior mixed choir. To be accepted into the group students must audition by sightreading and singing a familiar song. The year consisted of various programs inside and outside of Southeast.

Also under the direction of Mrs. Burkholder sixty-five sophomore, junior, and senior girls made up the Girl's Glee Club. Being from three different classes these girls performed at concerts and many programs.

Sophomore Ensemble, under the guidance of Mr. Nicholson, performed in various school programs, concerts, and assemblies. This group consisted of twenty four mixed voices.

Band, Orchestra Perform At Games And Concerts

Under the direction of Mr. Terry Steele, the Southeast marching band performed during the halftime ceremonies at all home games, including the Homecoming Game, and presented a program of electronic tape in February. According to Mr. Steele, "The band is at least twice as good as last year."

The Southeast orchestra, also directed by Mr. Steele, presented a musical in February, shared a concert with Southeast vocalists in March, and had their final concert in May along with many unscheduled presentations.

This year the Southeast Stage Band had hopes of making a record during Christmas vacation that would be out by March. The Stage Band also performed with the Madrigals in November and presented an assembly for the student body in December. Under the direction of Mr. Steele, they also performed for the Swim Show and Choralesque in the spring.

Mr. Terry Steele, band and orchestra instructor, conducts the Stage Band during an assembly.

The Southeast marching band participated in the halftime activities at all home football games.

Tension filled Cessna Stadium on the night of October 30, Southeast-Carroll game, as the half-time ceremonies were about to begin. Class floats carried the three finalists for homecoming queen around the football field. Announced during pep assembly that afternoon was that the senior class float won first place in the float contest with their theme of "Cage the Eagles". Liz Holland was announced as the '70 Homecoming Queen.

With the appropriate theme of "Bewitching Hour" the Homecoming Dance, October 31, came to life. Escort Craig Haines crowned Queen Liz and bestowed the traditional kiss upon her along with presenting her with a necklace and football signed by the team. Also reigning over the dance were attendants Penny Bolan escorted by Bill Page, and Cathy Glasgow escorted by Steve Newby, who were presented with football charms. The Majestic Moods provided the music for the '70 Homecoming Dance.

'Tranquility' And 'Peace' Reign Over Jr-Sr Prom

To supply the atmosphere with the feeling of peace the theme "Tranquility" was given to the Southeast Junior-Senior prom. An elegantly lighted centerpiece, signs of tranquility, and styrofoam peace signs created a mood of peacefulness for the couples in their colored gowns and suits. The prom featured "The Young Raiders" to set off the night with tranquil beats.

The 1970 king and queen, Leslie Schoenleber and Lewis Gregory, was announced by Richard Varner, Master of Ceremonies. They were attended by seniors Mike McCune and Vicki Nielson, and Steve Agee and Jana Carson. The junior attendants were Bill Neville and Lyndee Wisner, and Rhonda Scholler and David Mann.

Doormen for the prom were sophomores Gus Bauer, Todd Limbocker, George Bruce, and Rusty Carson.

Climaxing the annual Valentines Day festivities, Jan Carroll was announced 1971 Basketball Sweetheart and reigned over the Sweetheart Dance with her attendants Yo Lew and Delois Jones.

Jan, Yo and Delois were announced as finalists in a pep assembly Friday, February 12. At the dance Saturday night Jan was crowned and received the royal kiss from her escort Bill Braunagel, a Kaupan senior. Yo was escorted by senior Rob Ohm and Delois' escort was senior Charles Ervin.

At our victorious game with South Friday night the six finalists, Jan, Yo, Delois, Brenda Hanks, Trisha Pray and Cathy Fanning were announced and wore the traditional red dresses.

About 85 tickets were sold by Student Council and approximately one hundred dollars was lost on the dance. The Mother Country provided the musical entertainment for the dance.

Student Issues

There were 2,449 of us. 2,449 students who were assigned (by one finger of fate or another) to attend Southeast High School for this year.

288 of us rode buses to school, and approximately 1100 of us drove cars to school.

2194 of us were "white", 231 of us were "black" and 24 of us were of other races.

1259 of us were female and 1190 were male.

Yet we can't always be placed into percentages and averages as easily as we can be placed into the above figures. For each of us has our own ideas of what is right, unjust and important.

So there is the need for this new section in the yearbook — an effort to show the year as it really was.

Activities Hurt Due to Apathy

APATHY 1. lack of feeling or emotion: IMPASSIVENESS 2. lack of interest or concern: INDIFFERENCE

The 1970-71 school year has been known as the most apathetic year Southeast has ever had. Activities ranging from dances to pep club have shown a decrease in participation and attendance.

Spirit, whether it was spirit at the sports games, or spirit concerning Student Council, the student lounge or the library, was at the lowest point this year than spirit had ever been.

PEP CLUB

Compared to two years ago, pep club memberships were down, according to Brenda Hanks, pep club president. Although the initial number of memberships were approximately the same, about 400 members, the mid-year number of memberships decreased by nearly 150 girls. This was due to girls either quitting or being kicked out. During the 1968-69 year, the membership remained basically the same throughout the year.

Due to the lack of interest, pep club meetings were cancelled at the beginning of February. According to Brenda, 150-200 members attended meetings at the beginning of the year, about 100 members at January meetings, and only 35 at the first February meetings.

At the Southeast football games, approximately 250 girls would sit with pep club and participate in the cheers. By the time basketball season came around, only about 150 members were sitting with pep club and participating in the cheers.

"I think it'll hit bottom next year. A lot of the sophomores have been in junior high pep club and aren't interested in pep club," said Brenda.

DANCES

The OSOM dance and the first pep club dance were the only dances that made any money this year. All other dances whether Student Council sponsored, class sponsored, or club sponsored, lost money.

The Junior-Senior Prom, held in November, lost more money this year than any other prom. Because of the approximate $600 debt, Southeast will have only one prom in future years.

The Homecoming and Sweetheart dances both lost over $100. In previous years, both of these dances would almost always bring a profit of $300 into Student Council, according to Mr. John Morton, StuCo sponsor.

Lack of student interest is, of course, the reason why the dances failed throughout the year. Attendance was down at all of the dances.

Several hypothesis were given by two Southeast teachers. Mr. James Powell, government teacher, said "Publicity has hurt several of the dances, and StuCo members didn't go to the dances. Better bands are needed, but then, every one has their own idea as to what a good band is. There has been a lack of school spirit and a lack of class spirit this year."

"A school must maintain certain traditions. When a school loses tradition, it loses a lot of the school. The key is to let the students have some say about the bands and so on," said Mr. Terry Gire, government teacher.

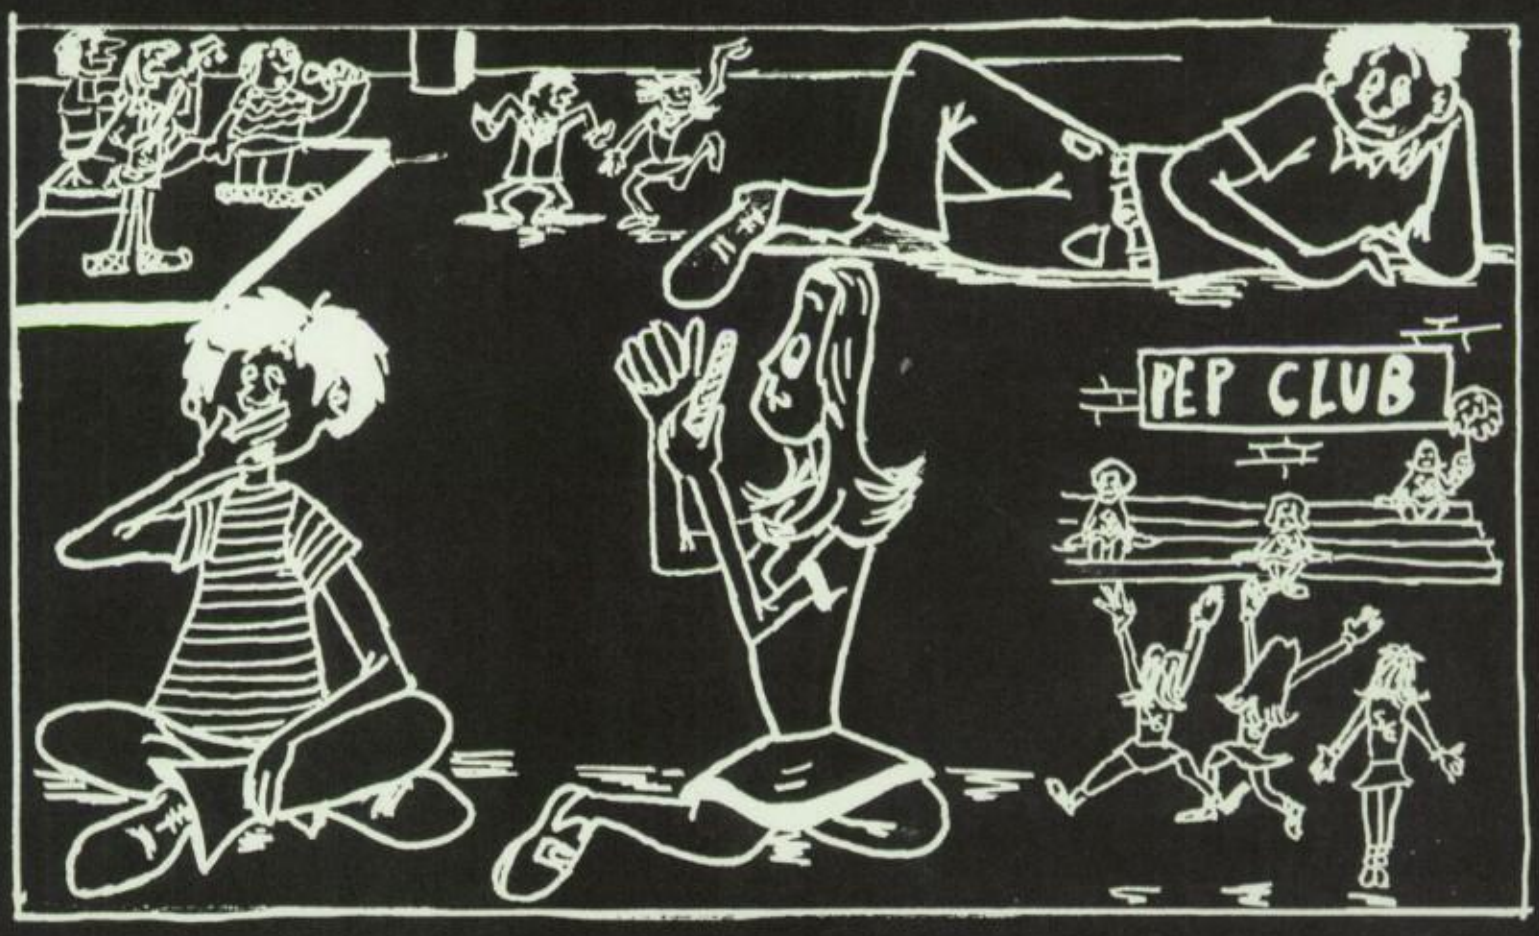
PEP ASSEMBLIES

All remaining pep assemblies were cancelled at the beginning of February, due to the lack of interest on the part of Southeast students.

Many students were not attending the pep assemblies, while others were using the assemblies as an excuse to leave school 20 minutes early. At several of the last pep assemblies, the boy's gym was not completely filled, and some students were walking out of the pep assemblies before they were over.

These are just a few of the reasons why the pep assemblies were cancelled, and were not held for Spirit Week, the State Swim Meet, and the State Basketball Tournament. All of these activities had previously had pep assemblies to raise school spirit for the sports teams and the classes.

This year might have been the least spirited, but it had definitely been a turning point for something . . . but what?



Library policy under went many changes this year due to the added problems arising from hundreds of students using the library every day.

Mrs. Virginia Fields discusses library problems and the changes initiated during the year.

SE Library Policy Changes

Since Southeast's Media Center has been opened the added problems of a large library have gradually become evident. Problems of vandalism, noise and general disorder have brought several changes in library policy.

Because of stolen items and vandalism to the library's audio-visual equipment, some of this helpful equipment is increasingly hard to use. Approximately 600 books were stolen during the 1969-70 school year. In order to get into the library this year a pass from a teacher or an honors pass for independent study was required. The honors pass designed to eliminate the use of leave-the-room slips for students and teachers participating in the independent study program. When the study halls were brought into the library in January extra noise and problems came with them. The reason the study halls were brought into the library was because the majority of the study hall students were coming into the library anyway.

The problem of the library being understaffed is also important, according to Mrs. Virginia Fields. To handle the large number of students that use the library, a staff of 18 was needed of which Southeast has only four. A plan proposed by Southeast students called for help from student proctors but so far this has not been implemented too much.

Southeast's building committee in conjunction with the student faculty library committee decided on a library study program that went into effect February 1. The following is the proposal submitted by the committee.

1. An adequate orientation program for both students and faculty members be undertaken before this plan is put into effect. It is vital to the success of this program that all students and faculty members understand its operation.

2. The library and M-12 shall be open during all school hours to all students for studying, reading and research, with responsible students assigned as proctors to insure that study areas are being used for that purpose. The room designations shall be as follows:

M-12 — study area (supervised by proctors).

Library — Library or academic related work (librarians, proctors).

Cafeteria — Discussion center (supervised by study hall teachers).

Detention Study Hall — for privilege violators (supervised by study hall teachers in a special area of the cafeteria).

3. At the beginning of each hour, students in study hall should report to either M-12 or the cafeteria for the taking of roll. Attendance will be compiled by study hall teachers.

4. The audio-visual section of the library should be reopened for all students for educational purposes. The committee urges faculty members to investigate the increased use of this area for educational purposes. Arrangements can be made with the librarians to make audio-visual materials available.

5. Drinks and other refreshments should not be offered in the disucssion center area.

6. During the assigned study hall period students should report to one of the following areas: M-12, the cafeteria, or detention study hall, and remain there during the entire hour.

7. Any student accused of a violation of this policy will be allowed to submit a written defense of his actions, and upon his request, will have his case reviewed by a Student-Faculty committee as an intermediary between student and administration.

8. A detention study hall with compulsory attendance for these students who cannot accept responsibility shall be created. Students will be sent to this study hall for four weeks on the first violation (after having been previously warned); and for the rest of the semester upon the second violation. Student violators without study halls will be restricted to their classrooms for the same periods of time as those in study halls.

9. Successful implementation of these reccommendations will provide the stimulus for further changes and progressive measures from the committee.

Florrie Fisher Tells About 24 Years of Life in the Gutter

Florrie Fisher, ex-heroin addict, emphasizes a point during her Southeast assembly. Mrs. Fisher travels throughout the country telling about her life in hopes of stopping students from ruining their lives using drugs.

After living in the gutter for 24 years, no one can come up "smelling like a rose," admits Florrie Fisher while "telling it like it is" to Southeast students last fall in an assembly about her 24 years of misery while addicted to heroin.

In order to maintain her $185-a-day habit, she resorted to various crimes including shoplifting, pickpocketing, prostitution, and finally she became the largest female pusher in New York. For these crimes she spent over 17 years in jail.

After she was addicted to heroin, she had to "shoot it" in order to be normal, not to get high. But the inhuman part came each time she was put in prison, and could not get dope from an inmate. She had to go through the long withdrawal period. She would be thrown into a metal tank for 72 hours where the vomiting and convulsions began as part of the withdrawal.

She recalls the time she lay on the floor, vomiting on her hip-length hair, and laying her face in it.

During her stay in one of the detention homes, she was put into the sweat box. This was a tiny room, too low to stand in and too narrow to lie down in. She was left in there, naked, to sleep in it, eat in it, and to "mess in it." "They left me in it until they couldn't stand the smell," said Mrs. Fisher. Then she was hosed down like an animal. She sadly remarked that after this, "You don't even feel like an animal, vegetable, or mineral. Just like nothing."

Mrs. Fisher was almost to the point of tears when she recalled the years of prostitution and the torture she had put her parents through. Even now, her father, who is 93 years old, can not "hold his head up high," because of his addict daughter.

Mrs. Fisher emphasized that if someone has a friend taking dope, it would be better to "drop a dime" and call someone who could help him. The friend would never know who told, but he would profit in the end. A friend might prevent a drug accident or addiction.

Mrs. Fisher said that she felt she had done her duty if she had stopped even one student from ruining his life.

She welcomes letters from any interested students. Address the letters:

Many Southeast students remained after the assembly to talk to Mrs. Fisher and ask her questions about her life.

Annual Black Assembly Tells Black Man's Role in History

Hoofbeats: What was the purpose of the Black assembly?
Frank Bell: The black assembly was more than entertainment, it was to enlighten not only whites, but also many of the blacks as to the significant role that the black man has played in the making of U.S. history. The intent of the assembly was not to offend anyone unnecessarily, but to tell what blackness is and then let them make their own decision. The message was to positively tell what Black Is, (the theme), knowing that the critics would accept or reject these facts on their merits.
Hoofbeats: Who are "the critics?"Mr. Bruce Watson: Those that had been wounded by the truth, submitted and seek to find ways of strengthening their individual prejudices as unfair as they may be.
Hoofbeats: How do you think the assembly was accepted?
Frank: With mixed emotions because much of this was based on truth and the truth is always going to hurt someone.
Hoofbeats: Why is there a need for a Black National Anthem, if there is an American National Anthem?
Frank: The objective of the Black National Anthem is not to denounce or to replace the American Anthem, only to unite the black man; a unity that all black men have longed for. In uniting the black man, we unite America! We don't ask that all American accept our views expressed in this song, only to respect them. AMEN!

Editor's Note: Frank Bell was interviewed because he was the master of ceremonies at the assembly, and Mr. Watson because he was a sponsor.

Victory Bell Returned After Many Days, Many Rumors

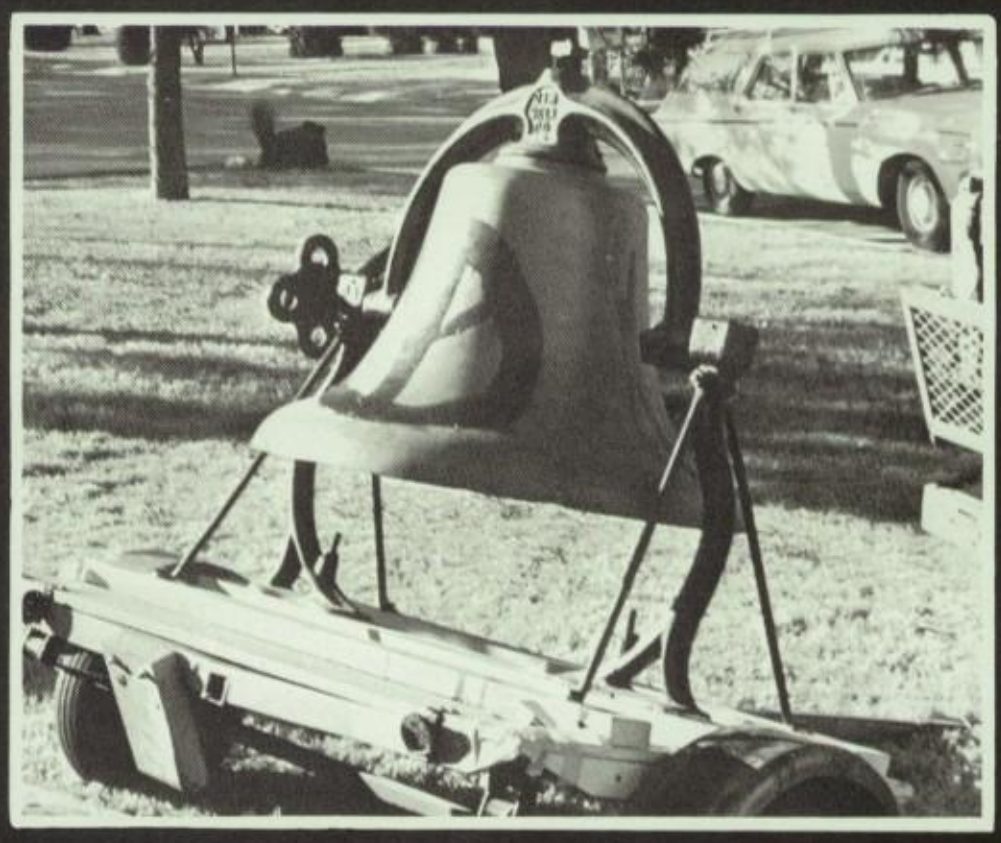
Since the night of November 3, 1970, Southeast was minus one Victory Bell. After many days and many rumors, the $300 bell was returned.

The bell was returned around midnight January 21, 1971. According to Letterman Robbie Boucher, keeper of the bell, some unidentified people put the bell in front of his house and started ringing it.

No damage was done to the bell except a note written in black paint "Thanks from Andover H.S." and on the reverse side a large black peace symbol.

Throughout the three months when the bell was missing, Robbie was contacted many times concerning the whereabout of the bell.

Among some of the rumors Robbie was contacted about were, a group of East, North, and many other city rivals had taken the bell. The Victory Bell was rumored to have been placed at the bottom of Lake Afton, Cheney Reservoir, Santa Fe Lake and various other rivers and small ponds.



The peace sign adorned Southeast victory bell now rests in the boiler room after its return from the anonymous kidnappers.

StuCo Plans Events Student Involvement

To get everyone involved was one of the main objectives of Student Council, according to Lewis Gregory, Student Body President.

So that students could participate in school activities, StuCo meetings were open to everyone and StuCo committees were made up of student volunteers.

StuCo sponsored such events as Homecoming, Open Season On Males (OSOM), Sweetheart Dance, United Fund Drive, Speak-Out, and Inter-City and Out-of-City Exchange.

The sponsors of Student Council were Mrs. Cheryl Brock, Mrs. Barbara Calvert, Mr. Dean Campbell, and Mr. John Morton.

During the summer, Southeast participated in the Wichita Centennial River Festival by making a float with the theme "Age of Aquarius."

Student Boards Seek Better Communication

Youth Board, Youth Council, and Human Relations Board each had goals toward which they aimed. They planned various projects to reach their goals of helping and understanding others.

Youth Board, an affiliate of the YWCA, consisted of two seniors and five juniors who worked on such aims as helping Channel 8, understanding inter-city racial problems, and renovating a nursing home.

Youth Council, the intermediary between students and the Board of Education, concerned itself with the problems, interests, and suggestions of Wichita area high school students. Five students from each high school were representatives.

The newly formed Human Relations Board, sponsored by Mr. John Morton, met once a week to discuss ideas for the improvement of relations among students themselves and students and faculty. Among the numerous projects was a survey conducted concerning prejudice, school activity involvement, and bussing.

Honor Club Members Participate in Activities

Under the guidance of Miss Ruth McCormick, the members of the National Thespian Society worked hard to carry out their slogan, "Act well your part, there all the honor lies". 100 hours work on a dramatic production and acquiring 10 points were the requirements for the members who sponsored talent assemblies, candy sales, and major productions.

Journalism students holding a "B" average over all grade and having an interest in either journalism, yearbook, or photography made up Quill and Scroll sponsored by Mr. Dean Campbell. Activities included sponsoring UMOC contest and dance, dinners for journalism department.

Acquiring points through participating in speech and debate tournaments are the qualifications for entrance into the National Forsenic League, a national honorary society for high school debators. Members competed on state and national levels.

Language Clubs Promote Cultural Understanding

Under the guidance of Mrs. Helen Hiebert the Spanish Club sponsored their annual Christmas Party and the Concurso which was held at Wichita State University. The thirty-five members met to promote interest in the Spanish language and culture.

Stimulating interest in the German people, language, and culture; as well as to provide an opportunity for students to meet others with similar interests is the purpose of the German Club, sponsored by Mr. Marlin Schrag. Activities of the year including German pen pals, Christmas Caroling, progressive dinners, and an All School Project Booth.

French Club provided members with knowledge of the language and culture of French speaking countries. Under the guidance of Mrs. Helen Hageman and Mrs. Connie Hay the students held a Christmas Party, Spring Banquet, and an All School Project Booth.

To expand the cultural knowledge of Romans the Latin Club met under the guidance of Mrs. Mary Chambers. Activities included dinners and an after Christmas banquet.

New Senior Spirit Group Help Cheerleaders at SE

The responsibility of promoting school spirit was divided among the cheerleaders and a newly formed group of senior girls, the Banner Girls.

The varsity and B-Team cheerleaders enthusiastically led cheers at varsity and B-Team athletic events. The varsity cheerleaders attended a clinic at K-State this summer and went on to lead their own clinics at Coleman Junior High and Southeast. The girls sold spirit ribbons, flowers, and held other sales to earn money to buy new uniforms. The B-Team cheerleaders helped the varsity in their various activities, plus cheering at Sophomore games.

To provide more support for minor sports, the nine Banner Girls, wearing the letters of Southeast, attended minor sports events such as Cross Country, Track, Swimming, and Wrestling. The girls sat on the front row during varsity games and did Pom-pon routines. The girls were chosen by their activities in promoting school spirit during their sophomore and junior years. The alternates are Shannon Greene and Sarah Robinson.

Political Clubs Work For 18 Year-Old Vote

To educate students in politics, to give students an opportunity to see "the system" and to think about political ideologies, the Young Democrats, Young Republicans and Student Committee on Political Education (Scope) were formed. The clubs were under the guidance of Mr. James Powell, Mr. Louis Bourland, and Mr. Terry Gire.

Activities for the year included work on receptions for lecture series, work in political headquarters, getting ballots folded and filed after elections, campaigning, and working on fund-raising dinners. Members also sold bumper stickers and met personages in state, local and national government. The most important work of the clubs was working with the city and national elections and working for the eighteen year-old vote with legislators.

Future Occupation Clubs Take Interest in Wichita

Under the guidance of Mr. Walter Lohrentz and Mr. Floyd Bayer, the members of the SCIENCE AND MATH CLUB entered exhibitions in the annual science fair and had several field trips to different business industries. To promote student interest in the field of science was the main purpose of the club.

To acquire interest in community and personal health and finding out what a career in health requires was the purpose of the HEALTH CAREERS CLUB. Activities for the year included field trips to hospitals, the blood bank, dental labs, and vocational schools.

Members of the FUTURE TEACHERS OF AMERICA CLUB participated in activities of the city-wide club to show their desire for future work in teaching. Along with examining their career opportunities students took a field trip to the Institute of Logopedics.

Under the direction of Mrs. Rosemary Coad, the OFFICE EDUCATION CLUB designed and acquired new uniforms. During the second year the club offers its members knowledge of the business aspects of life.

Art, Chess, Film Clubs Interest Many Students

To encourage interest in film viewing and filmmaking, the FILM CLUB, sponsored by Mr. John Morton, held film showings in the evening and participated in the Student Film Festival in the spring.

Viewing films, having demonstrations by artists of techniques, visiting Nelson Art Gallery in Kansas City, visiting artists' studios and producing the first art magazine were the activities of the ART CLUB sponsored by Mrs. Sue Harms and Mr. Don Weddle. To further interest and promote a better understanding of art was this year's purpose.

To provide instruction and entertainment for its members and to further the popularity of chess were two of the main purposes of the Chess Club, sponsored by Mr. Dennis Sherman. Activities included occasional inter-school competition and intra-club competition.

Southeast Sports Clubs Participate in Activities

After acquiring 500 points a girl may be eligible for the LETTERWOMEN'S CLUB which offers athletic and social activities, helps develop good sportsmanship and promote interest in leisure-time activities. Under the guidance of Mrs. Marilyn Morris and Miss Harris the letterwomen's club sponsored a Christmas party, picnic, and a Get-together with another school's letterwomen's club.

To interest girls in synchronized swimming skills and routines and to present a spring Water Show was the purpose of the SEA SPRITES sponsored by Mrs. Betty Fugit. The 60 members worked all year preparing for their annual Water Show, which was given for the fourth consecutive year.

Participating in competitive and intramural sports was the main purpose of the LETTERMEN'S CLUB. Lettermen sponsored several school activities to promote spirit.

Buff Harriers Capture First City, State Titles

Southeast's cross country team capped an undefeated season by scoring an overwhelming victory in the state meet to give Southeast its first state championship ever. Led by senior Bob Ream's third place finish, the Buff harriers placed four runners in the top ten to outdistance second place SM South by 55 points.

The veteran team, coached by Mr. Charles Hatter, ran many miles before and after school in preparation for the meets held throughout Kansas. Many team members ran on their own time during the summer to gain extra strength for the season.

Throughout the season they were closely knit as a team, displaying unity both during and after their races. The result was six straight triumphs in Invitationals before racing to firsts in both the city and regional meets, the best finishes in Southeast history.

The Buffs were never seriously challenged during the season, winning most of their meets by 30 or 40 points. Team captain Bill Filener led the herd of Buffaloes with a new school record in the two-mile run, with a time of 9:07, breaking his own record of 9:26 set last year in the state meet.

SE Buffs Tie For Fourth In City Football League

After dropping their first game to Kapaun, the city champion, Southeast's Golden Buffaloes rallied with five straight victories to tie South for fourth place in the city.

The gridmen, coached by Mr. Marvin Vandaveer, narrowly missed a berth in the state 5-A playoffs when North's two-point conversion stopped the Buff bid short, 15-14, in the season's final game. Ranking third in both offense and defense, Southeast had the city's number-two passer in quarterback Steve Agee, while rushing duties were shared by secniors Mark Ayesh and Mike Keeler. Sophomore Ron Darmon was a leading rusher and pass receiver, and also led Southeast in scoring with 24 points.

Senior John Breidenthal was the top Buff lineman and was chosen for the All-City team on both the offensive and defensive squads, along with Sterling Allen, an All-City defensive back.

During the SE-North game, Varsity Co-Captain John Breidenthal shows that misery is not being able to help after breaking his collarbone earlier in the season.

Seniors Lead Cagers to High State Ranking

After a ten-point loss to North in the opening game of the season, Southeast's cagers surged to nine straight victories to regain their traditional high ranking in the state rankings.

The Buffs, led by senior guard Nate Payne, the league's leading scorer, were one of the top offensive teams in the city. They were led in rebounding by seniors Richard Davis and Dennis Woods, the City's top two rebounders.

Led by Mr. Everett Houser in his first year as head coach. Southeast participated in the North Invitational, where they captured the first place trophy with victories over Wyandotte and North, the latter in overtime.

Less than one week later the Buffs defeated the Redskins again to gain first place in the city, but a double-overtime loss to West and a ten point loss to East dropped Southeast into second place.

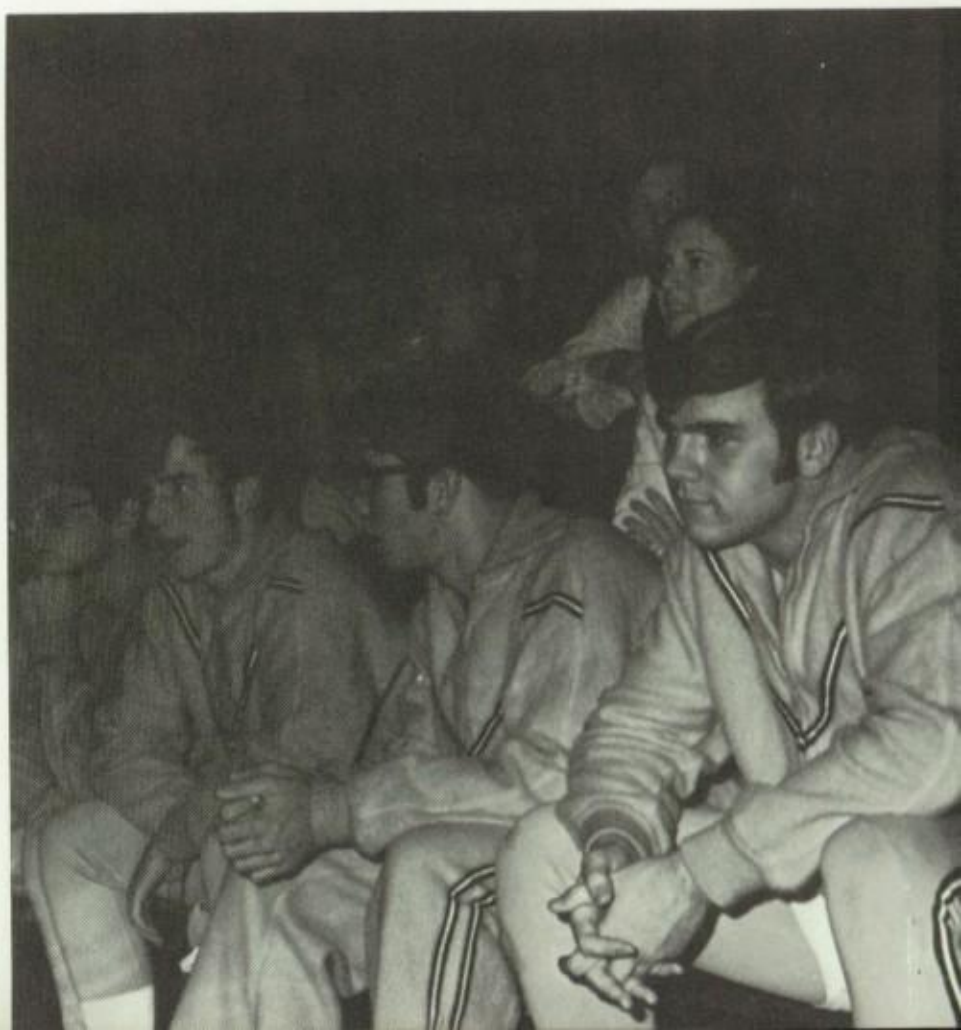
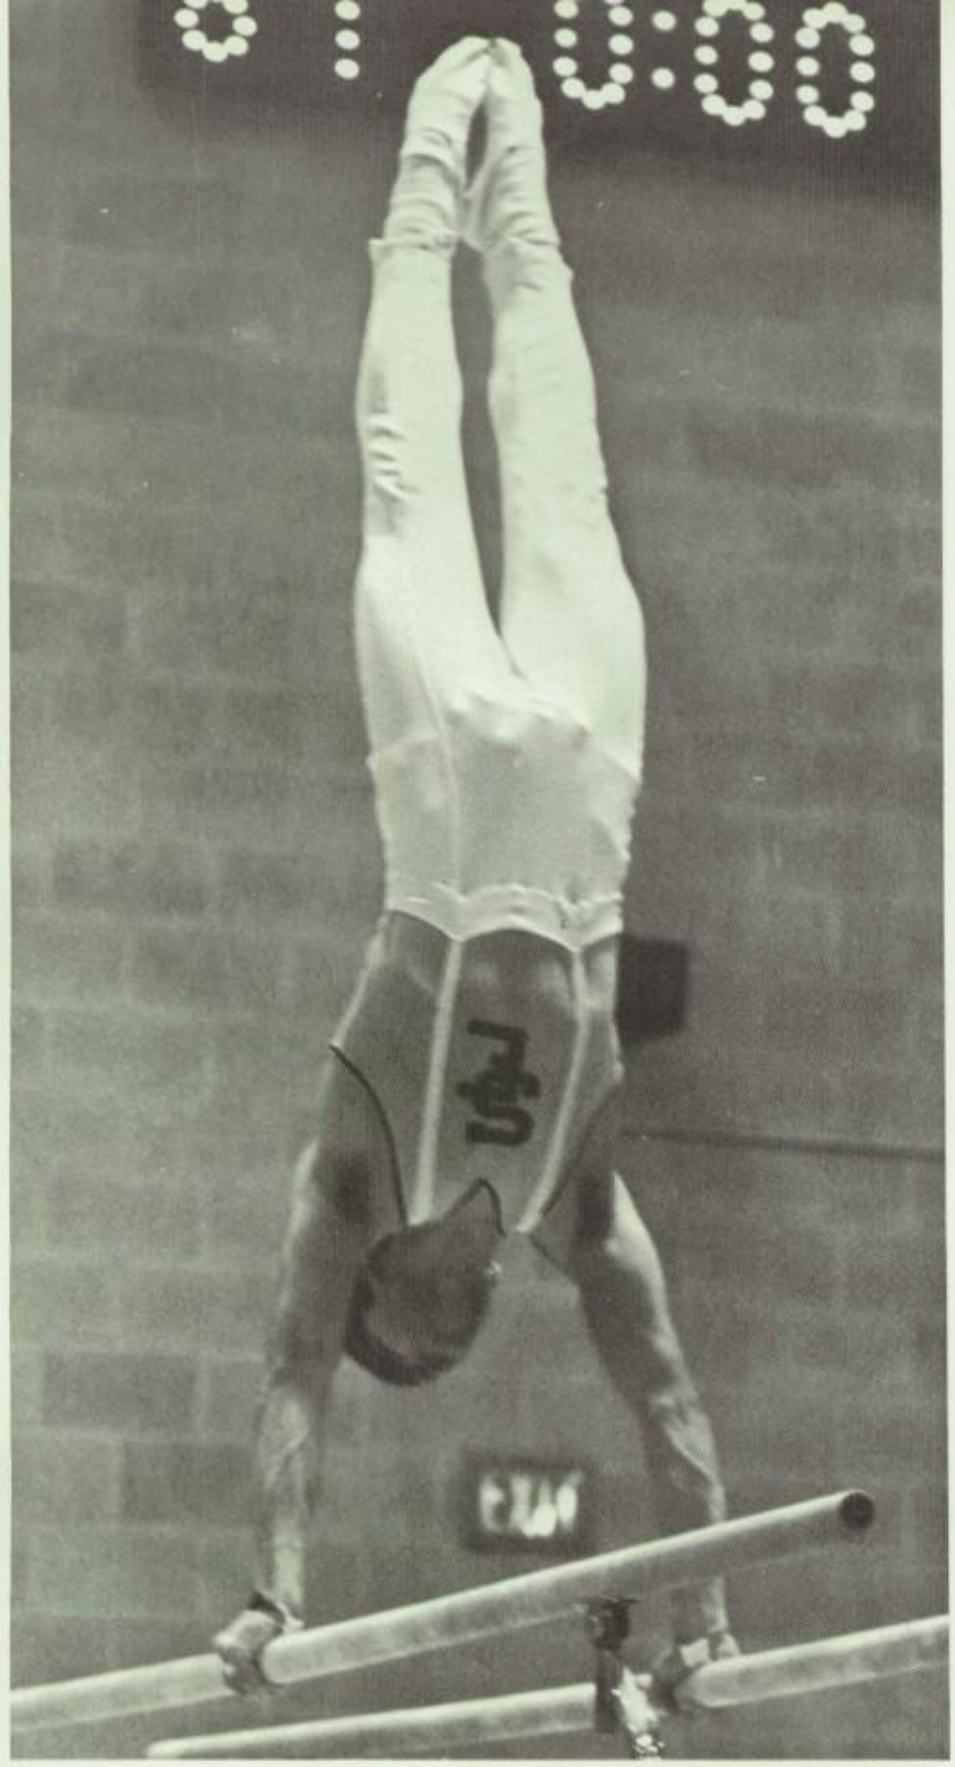
Wrestlers Boosted by Individual Performers

Showing considerable improvement over past Southeast teams, the varsity wrestlers, coached by Monk Edwards, boasted several outstanding individual performers such as Terry Pullman in the heavyweight division and Mike Keeler in the 167 pound class, who paced this year's generally unsuccessful wrestling team.

Starting out strongly with a 26-20 triumph over the West Pioneers, the grapplers dropped several meets to city league opponents East, Carroll, North, and Kapaun, some by very narrow margins. At the end of the season the top wrestlers competed in a tournament to determine who will compete in the state wrestling championships.





Senior Gymnasts Lead Squad To Dual Wins

Southeast gymnasts, led by veteran seniors Rick Pappas and Steve Frauen, scored impressive wins over city league opponents Heights and East this year, also placing high in invitationals held during the season.

Pappas, a two-year letterman, consistently scored high in dual meets and invitationals. The versatile senior competed in several events, including the floor exercise, parallel bars, and all-around competition, which measures a performer's total ability. Senior Steve Frauen's specialty was long horse vaulting, but he also competed in the floor exercise. Randy Joslyn added victories on the side horse.

The gymnastics squad, coached for the first year by Mr. John Morton, added a new set of parallel bars, replacing some of their outdated equipment.

Water Buffalos Grab Third Straight Title

For the third consecutive year, Southeast's mighty finmen ran away with the state swimming championship at Lawrence, Kansas. The Buffs scored an impressive 74 points while setting three state records in winning six first places. South was a distant second with 43 points.

Southeast had two double winners in seniors Mike Ulffers and David Kegley. Mike won the 100 yard backstroke, and his winning time of :54.4 in the 100 butterfly established a new state record. David successfully defended his state titles in the 200 and 400 freestyles.

Senior diver Scott Davies broke the old state record by nine points when he won the one meter diving with 450.2 points. The 400 freestyle relay, swum by Rick Hall, Terry McAtee, Greg Hirleman, and Tom Compton, also set a new standard at 3:24.4.

The Water Buffaloes, coached by Mr. Charles Hatter, were undefeated in dual meets this year. Southeast also won the city championship for the fourth straight year.

Spring Sports Anticipate Highly Successful Year

Practice began early in March for the four spring sports teams. Each team was rated highly in the city and given a good chance to earn another state title.

The baseball team, coached by Mr. Jim Deckinger, returned six lettermen this year: seniors Steve Agee, Sterling Allen, Rob Boucher, Kevin Brack, Butch Huson and Rob Ohm.

The track team, coached by Mr. Harold Brandenburg, included such top performers as Paul Dillon and Dale Jordan in the sprints-middle distance; Bill Filener and Bob Ream in the distance running; Dale Kidwell in the javelin; and Tom Bridges in the long jump.

The tennis team, coached by Mr. Everett Houser, returns lettermen Craig Haines, Doug Harned and Larry Kimball from last year's city championship team.

The golf team, coached by Mr. Marvin Vandaveer, has only one returning letterman, senior Clark Stevens, who was a member of last year's state championship fourman team.

Three Southeast Teams Capture State Titles

Since its opening in 1957, Southeast has brought the level of athletic competition to nearly the top in the city. This year the Buffs gained state-wide prominence as three Southeast teams captured state championships.

The cross country team brought a state title to Southeast for the first time in school history. The harriers were undefeated in invitationals, won the city and regional meets, and easily won the state meet.

The swimmers went undefeated this year also, winning the city championship for the fourth straight year and bringing home the first place trophy at state for the third straight year.

Southeast's cagers, seeded fourth in the state tourney, swept to wins over Shawnee Mission South, 80-68, and Hutchinson, 65-58, before edging perennial champ Wyandotte, 69-66, in the finals. The win gave the Buffs their first state basketball title ever. The basketball team also placed second in the city and finished their season with a 18-4 record. Seniors Nate Payne, Dennis Woods, and Richard Davis were voted to both the All-City and All-State teams.

Girls Gain Experience in Intramural Sports

Under the direction of Mrs. Marilyn Morris the girls hockey team finished the season with a record of no losses. They tied for the first place title with South. After placing second last year the team worked extra hard to hold South who was the seven time champion.

This year the girls volleyball team was coached under the guidance of Miss Donna Harris. They finished their season with a 4-1 record only losing to South.

Miss Donna Harris also coached the girls basketball team which consisted of an A and B team. The girls played each participating high school.

With the new equipment the gym department bought, Mrs. Carol Dotson coached the girls gymnastics team.

With the help of a student-teacher, Mrs. Marilyn Morris coached the girls softball team. The schedule is set up so that each team plays the other teams at least twice.

Under the guidance of Mrs. Betty Fugit the girls tennis team placed first in the city defeating all other teams. Junior Pam Mason placed second in the singles competition at state while juniors Nancy Woolf and Ann Garretson captured third in doubles.

TODD LIMBOCKER — Sophomore Class President

An interview with Todd:

HOOFBEATS: What are your goals for the sophomore class?

TODD: To have a good class, have cooperation from everyone, make the school run efficiently, and help Lewis fulfill the goals of Student Council.

HB: Why did you run for the presidency?

TODD: Well, I was president at Robinson first semester last year, I enjoyed it. But you get alot of complaints, but I don't let it bother me. I just like doing things for the betterment of the school.

HB: Do you think there should be changes in Student Council?

TODD: At a recent Intra-City StuCo meeting we discussed South High School's district representation where people would run according to the district they lived in, but they said it didn't work . . . I think the system we have is the best — it gives everyone a fair chance. Someone might feel that they are forced to run in the district method, while in ours it is anyone who will get a petition and accept responsibility.

HARRIS FREEDMAN — Junior Class President

An interview with Harris:

HOOFBEATS: What are your goals for the Junior Class?

HARRIS: To promote student involvement, to reach the student body more effectively and in general make outside activities more interesting. It's alot of work and you've got to have the representatives behind you.

HB: Why did you run for the presidency?

HARRIS: Well, actually I wanted as a person to try to do things instead of just sitting back and watching things happen. I wanted to do something myself. As a president you can have some sort of a controlling arm over everything — you also have to do what the people want. I wanted to be president to see what it was like controlling something for once and having things done accoring to how you like them.

HB: Do you think these are irrevelant questions?

HARRIS: I think they are very legitimate and I think that all Student Council members should be asked these to know how they feel toward Student Council because I know that there are members that aren't very interested at all.

The juniors placed third in the homecoming float competition with their entry of "Chop the Eagles."

What Is a Junior?

. . . someone who breaks the all-time record on money lost at a prom.

. . . someone who sits through team teaching history for one whole year.

. . . someone who tries to buy a senior T-shirt.

. . . someone who leaves the lights on in his car the first time he drives to school.

. . . someone who walks down the middle of the hall.

. . . someone who has to write his first real term paper.

. . . someone who is stuck right in the middle and wants to be a senior.

. . . someone who gets carded at a "Restricted" movie.

STEVE AGEE — Senior Class President

An Interview with Steve

HOOFBEATS: What are your goals for the Senior Class?

STEVE: I want to win the "Triple Crown" — get first in the homecoming float, win Spirit Week and have the greatest and liveliest Sr. Prom that Southeast has ever had.

HB: Why did you run for class president?

STEVE: I saw that the spirit as SE had declined so much, and that the seniors were responsible. I mean if you can get some seniors who will really participate in school activities then the sophomores and juniors will follow.

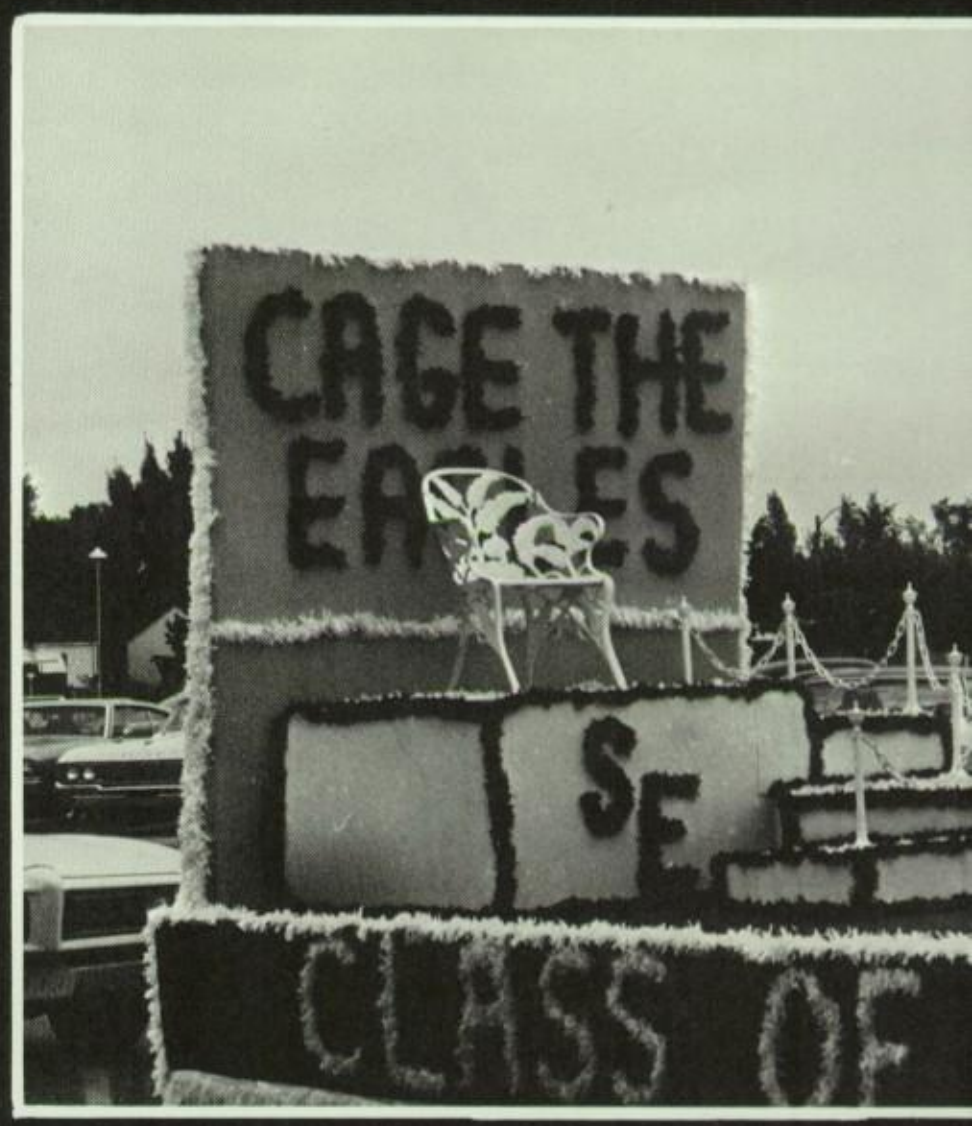
HB: Do you think that you have accomplished instilling this spirit in the Seniors?

STEVE: I think they have more spirit than the Sr.'s did last year. Uh, to say whether our class spirit has declined from last year, I really can't say. We've added like the Banner Girls.

HB: Do you think that they have helped?

STEVE: I don't know if they've helped spirit that much or not. You can look at them at a game and it looks nice to have them sitting on the first row. But they seem to do few routines.

The Many Faces Of a Senior . . .



For the second year in a row, the Class of '71 placed first in the homecoming float competion.

SENIOR CLASS STUDENT COUNCIL; FIRST ROW: Leslie Schoenleber, Jill Page, Suzie Moore, Julie Branson, and Shannon Greene. BACK ROW; Sarah Robinson, Steve Martens, Grant Goodvin, Bruce Leisy, Val Brown, Steve Agee, President; Clark Stevens, and Jana Carson. Not Pictured: Terry Walker.

What Is a Senior?

. . . someone who makes sarcastic remarks to sophomore boys who try to sit at the senior women's table.

. . . someone who is laden down with medals on his letter jacket.

. . . someone who puts on a white T-shirt and calls himself a Banner Boy.

. . . someone who forgets to take the ACT.

. . . someone who walks down the left side of the hall.

. . . someone who puts away an entire six-pack before each social event.

. . . someone who counts the days until he can go away to college.

. . . someone who remembers Spirit Week when it was spirited.

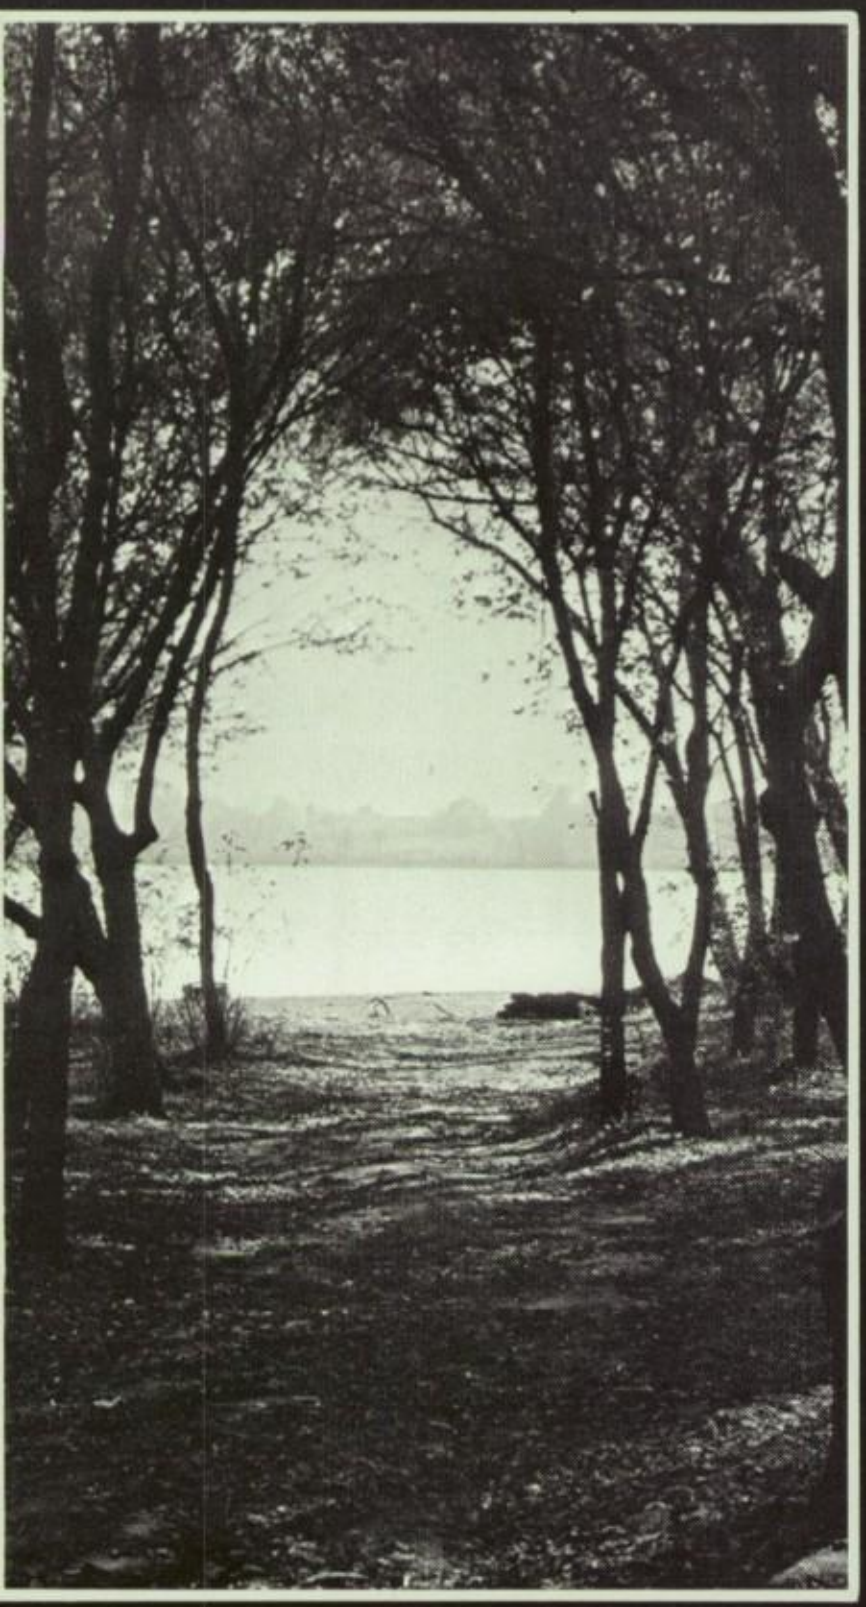
We look, but do we really see?

This is just the beginning.

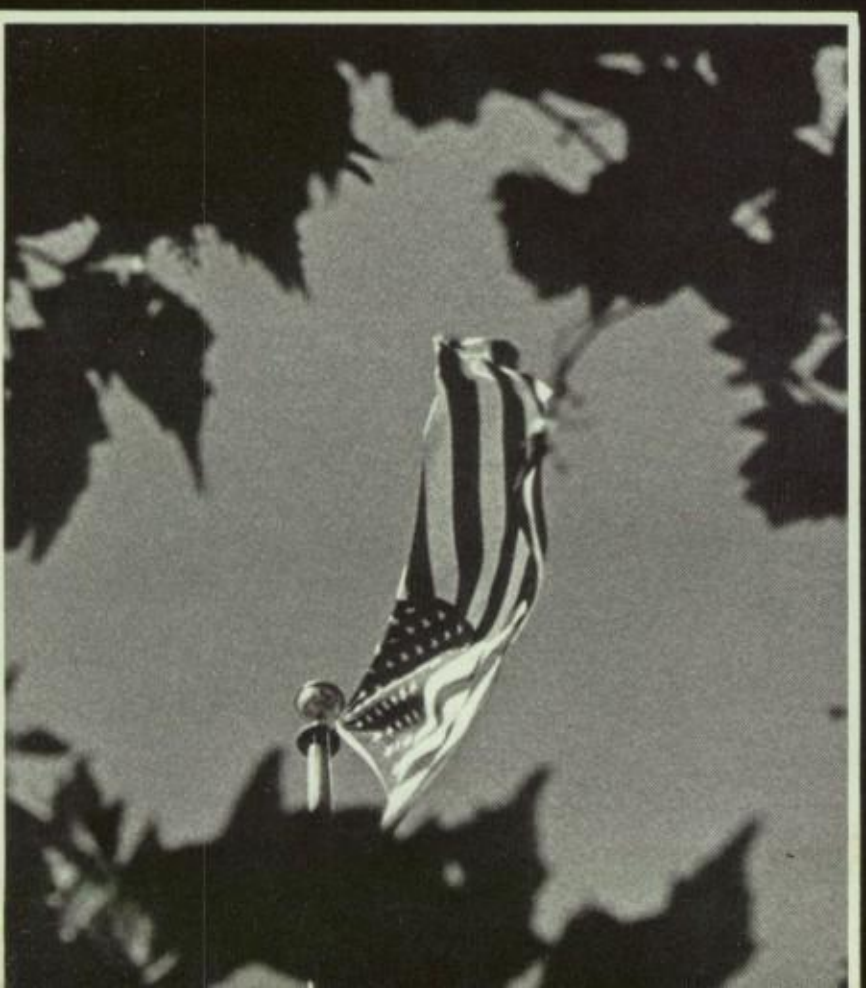
RIGHT: We are constantly molded by others.



Peace always seems to be just a little farther away.

Isn't spirit really just a state of mind?

We criticize our parents, but what kind of parents will we be to our children?



Saturday night — 6:30, what a time to be working on the yearbook! The rest of the staff has deserted, leaving behind them empty Cokes, half eaten orders of french fries from Sandy's and broken yearbook pica rulers. And with this page the yearbook will be completed.

This yearbook has been an attempt to do something different. Different from the ordinary book in which only the faces change from year to year.

Several statements were made in this yearbook — either photographically or in copy. If such a statement angers you — then simply turn the page. THE WORST REACTION WE CAN SUFFER FROM YOU IS APATHY!

I would like to say thanks to those members on the staff that feel they deserve it, and for the rest of the staff — I hope you have learned something in this experiment in responsibility.

No, I will not relate funny incidents that happened, for as I look back on the year I become increasingly frustrated instead of laughing (although some of us will never forget the frozen meatball incident).

Remember: THE STAFF'S ONLY PAY IS YOUR APPRECIATION. And they deserve plenty of it.

I can't believe it. We actually made it. The book is done. I am numb with a gigantic sense of relief. And Linda, the pressure is gone!

All I can say is that I have tried.

SPECIAL CONSIDERATIONS:

RUSS — for his big shoulders to cry on.
LINDA, KELSEY & JANE — For endurance during my (among several other's we have had to work with this year) spurts of tyranny and refusals to communicate.
BOB — (of American Yearbook Company) for all encouragement we got this year.
STEVE — (of American Yearbook Company) for inspiration.
MR. WRIGHT — (of American Yearbook Company) for endurance of "four fickle females" who changed the cover of this book four times.
MR. CAMPBELL — (our advisor) who will probably never realize what I have learned from him.
DR. ADDIS — for cooperation in understanding yearbook problems.
MR. JENSEN & MRS. THOMPSON — who taught me that a green plant doesn't grow in a dark closet.

To the smartest kid I know. Someday I'll get smart and copy off you. It's been fun hope to have you in some classes next year. Good luck!

Eric Yorkdale

Mark: I don't know what to call Taylors Geometry class this past boring year! Anyway I had fun being in 2 of your 5 classes and our relationship has increased so much (can't you spell) last year!

I like walking Poison Ivy Patch
